

SC FSDO FAAS Team presents:

EAA 1023 Greenwood - January Topic of the Month - The Startle Response

This presentation acquaints pilots with the nature of human mental functioning and response to stimuli. It describes the human startle response and how it may contribute to aviation accidents. Specifically, the presentation will discuss the difference between reflexive and reasoned responses to stimuli. Discuss the safety benefits of flight risk assessment and management. Discuss the safety benefits of emergency procedures training. Encourage pilots to participate in WINGS Pilot Proficiency Training

Directions: Greenwood County Airport Terminal / FBO building.

Important Notice: "Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines."
